

GO SCOTS!

THE TARTAN BACKERS CHALLENGE

THE TARTAN BACKERS CHALLENGE

BRING THE SCOTS HOME!

Supporters of Galloway Softball and Baseball,

Since acquiring the Warren Road site in 2016, the field has served the Scots softball and baseball teams well – but without upgrades, usage is limited. The next phase of enhancements would not only improve the facility as a softball field but also allow UL Baseball to host games at their home field.

Galloway has secured \$150,000 in commitments – 85 percent of total project costs. With an additional \$25,000 by May 30, we can launch the project this summer. The Tartan Backers are challenging YOU to pitch in .

WHO? **Galloway softball and baseball supporters.** With a generous lead donor and school leadership support, Galloway has commitments of \$150,000, contingent upon raising the remaining \$25,000 from other sources. The Tartan Backers are committed to closing the gap with your help.

WHAT? **Installation of irrigation system, laser grading, sodding and seasonal field conversion.** Enhancements will vastly improve the field for softball. In addition, with the ability to add turf to the infield for the spring, the site will meet Georgia High School Association's regulations for varsity baseball games.

WHEN? **Summer of 2018.** For completion by fall softball season, Galloway must commit to contracts immediately and begin work on the project in June. With a short fundraising window, the deadline to pledge your support is May 30, 2018, payable by June 30, 2018.

WHY? **Scots Pride.** Galloway Athletics has earned 19 state titles in school history, taking 12 of those titles in the last five years.

Along with an upgraded facility, the ability to convert the field for use between softball and baseball would alleviate constraints on availability, significantly reduce rental costs, and create a significantly more positive experience for players, fans, families and coaches, as early as this summer.

The Tartan Backers believe that posing this challenge match will create a sense of ownership and interest among a wide pool of supporters, justifying the overall investment.

**Pledge your support by
May 30, 2018**

GOAL: \$175,000
RAISED TO DATE: \$150,000
HOME STRETCH: \$25,000

DONORS GIVING \$250 AND ABOVE WILL BE RECOGNIZED AT THE RENOVATED SITE.
